Guidelines for entrants

- **Entry time for Entrants at the Recreation Grounds is 9.00am.** Entry prior to this will not be allowed and please do not queue at the gateways and block entry to service vehicles etc.
- **All vehicles must be in place by 10.30am** to allow the viewing public safe access. The gates will be closed at this point to all vehicles except service personnel, organisers and the disabled.

- **No tent pegs or other surface penetrating devices** may be used on the Ovals due to subsurface watering systems. If erecting Gazebo type shelters, the cover must be weighted down via cord or rope with a minimum of 10 Kg at each corner, not only weighted at the bottom of the legs. This is a council safety requirement, also applies to large shade umbrellas.
- Due to the rural location of All British Day. We recommend that you refer to the CFS website as to their recommendation regarding the use of gas BBQ's at Echunga
- **Cancellation due to extreme weather conditions.** In the event of a catastrophic fire warning for the Echunga district or a forecast temperature for Mt Barker given by the Bureau of Meteorology as of 6:00pm the day before the event of 40 degrees or more, the event will be cancelled. If the event is cancelled, sorry, no entry fees will be refunded but memorabilia will be posted out.

EVENT ASSISTANCE

The All British Day Committee would like to thank all those who have helped in the past to make this a great event. There are many opportunities for marshals and volunteers, as listed on the ENTRY FORM. The following is a guide to those interested in being a marshal.

GUIDELINES FOR MARSHALS

Field and Club Marshals are very important in the successful running of your event and all car clubs are asked to assist in these two areas. Clubs are requested to supply at least one Field Marshal and Club Marshals as listed below. These marshals must be legally qualified to direct vehicles. If you would like to qualify, you will need to attend a S.A. Police training session. For session details refer to **Marshall Training** below. Then register your intentions in the Event Assistance section of the All British Day entry form.

Field Marshals. These marshals must be legally qualified to direct vehicles. Some of these marshals will be rostered from 7.30am to sort and direct the entrant and other vehicles into and around the recreation ground and ovals. Some marshals will be rostered to deal with the entrants coming in from 9.00am to 10.30am. At 3.00pm we will also require some marshals to assist with the orderly departure of entrants from the grounds in conjunction with the CFS. The Field Marshal's duties are all quite straightforward and volunteers will be contacted prior to the event.

Club Marshals. These marshals must be legally qualified to direct vehicles. All clubs with more than 8 entrants are asked to supply a Club Marshal. 25 entrants or more requires 2 or more Club Marshals. A Club Marshal's duty is to place their own club's vehicles in the allocated area on the oval. Prior to the event, the Club Marshal will receive an oval layout map, the number of club vehicles to park and the club vehicle spacing. The Club Marshal should arrive about 8:30 am so that their club's vehicles can be parked quickly and efficiently in the allocated area when the gates open at 9:00.

Marshal Training. Friday January 31st 2020. Each year, on the Friday night a week before the event, we hold a Police Marshal Training class. Starting at 7.30pm, it is a short course and will finish approximately 8.30pm. Once you have participated in this training you are a recognized Marshal for life. Well worth the effort as you can then use this qualification for your own club events. Clubs and individuals are invited to attend regardless of participation in the All British Day event and should contact the ABD Committee. (See the contact details below)
